FAST AND SNAPPY BASEBALL GAMES AT PARK SUNDAY

Weston Team Walks Off With Bacon From International Team While Feldman Boys Win Over the Purity in Second Game at Rio Grande Park.

BARRING two innings, one in each game, fans were treated to some pretty nice baseball Sunday afternoon at Rio Grande park in the second round of dates of the Paso City Baseball league as all four teams seemed to put forth their best efforts and make the contests worth seeing. The class of ball exhibited merited a much better attendance, as the two games were full of snap and pep, and aside from two innings in which a total of 14 runs were scored, the teams did very creditable work. In the initial game the Weston team defeated Juan Gomez's Mexican club by the score of 6 to 5, while a little later the Feldman boys took the Purity nine into camp by the score of 11 to 4. The second game was not as uninteresting as the score would indicate, however, and some good work was seen.

But for a rally in the seventh inning, the Weston boys would have experienced difficulty in defeating their brown skinned opponents, who were for five innings broke out in the sixth and ran across five runs before Hancy could check them. Elliott, who pitched consistent ball up to that time, was recalled from the box and Hancy sent to the mound after the third run had been scored. The Weston players came back in the last one and won the game, however.

Manager attorney Bill Polphrey, of the Weston team, can be congratulated on one thing and that is the versatility of his men. Bill has pitchers that are fielders and fielders that are pitchers and players who are combination of batsman, fielder and pitcher. In selecting his team Bill did some pretty good work as the percentages will show. The Weston nine not having lost a game since the schedule was inaugurated.

Juan Gomez has a snappy team but they do not field fast enough. If the number of two base hits are to be taken as evidence of their speed. There were no less than six of these boys scattered across the scoring sheet Sunday afternoon, and at least four of them could have been cut down by a little faster fielding.

Solo in the box did good work, and had the support been a little better it is very probable that the number of extra base hits would have been cut down. The hitting of Dick Fillman, Brown, Madden, Hancy and Hunter of the Weston was a factor of the game, while F. Mesa, Chacon and Loya did some nice at-bats for the opposition.

For five innings the Feldman and Purity clubs battled to a standstill. In the sixth game the Purity team went ahead when three successive hits were made, and it seemed for a time as if they would be returned the winners. The Feldman boys urged on by Red Livingston, however, scored nine runs in their half of the sixth stanza and walked away with the game. The Purity players garnered one more in the seventh, bringing the score up to 11 to 4.

Paul Fisher and Pete Leyva opposed each other on the mound and each threw a consistent brand of ball until that fateful sixth when the Feldman nine broke all bounds and ran wild on the bases. Even though that Pete sent up after that he was knocked into the outfield for a clean base hit until the last man was retired on a fly to right field.

Real torture bound to follow if the first warnings are not heeded.

Anyone afflicted with the pangs of Rheumatism will tell you that the first pangs were hardly noticeable. Slight at first, in fact too insignificant to be heeded, pains increasing very gradually, the disease had them firmly in its grasp before they realized that they were its victims.

Those who have been trying liniments and other external applications will find that they have not reached the cause of the trouble, and that their Rheumatism is back with them again.

TALKING IT OVER

BY HUD RUTHERFORD

WILL the situation brought about by the declaration of war against Germany have any effect on baseball this season? So far apparently it has. In the Pacific Coast and Texas leagues, the only two circuits of importance that have inaugurated their schedules to date at attendance figures show a slight falling off from those of last season. Good crowds turned out for the opening games, but in the days following the attendance has not been so good, and baseball club owners are not as optimistic over the future as they were one week ago.

Richie Mitchell, the Milwaukee 135 pounder, and Benny Leonard, of New York City, are slated to meet at Milwaukee on the 17th of this month. Johnny Kilbane, who has fought Mitchell twice, is quoted as favoring Leonard to beat the husky western lad. The winner gets a crack at the lightweight champion in the near future at Milwaukee, it is said.

Benny Cordova, the Albuquerque lightweight who made such a poor showing against Tommy O'Toole at the Smelter arena some time ago, has been matched to fight Kid Ligon, at Silver City, N. M., in the near future. Let us hope that Cordova makes a better showing there than he did in the past.
